Become a sponsor of our Golf Tournament

On **September 1st**, we will launch the first edition of our **Golf Tournament** — a flagship event designed to bring together motivated participants around the Foundation's core mission: actively supporting the funding of education initiatives and the recruitment of biological product donors.

The event will take place in the prestigious setting of **Saint-Raphaël Golf Club**, on Île-Bizard, just minutes from Montréal. Renowned for the elegance of its grounds, the outstanding quality of its facilities and its premium guest experience, this exceptional destination offers an environment where **natural beauty, strategy and the pleasure of the game** come together in perfect harmony.

Designed to deliver a unique and uniting experience, the tournament is a **prime opportunity** to showcase your organization to an engaged and influential audience.

Our 150 golfers will enjoy an exceptional day, followed by a cocktail reception bringing together more than 175 VIP guests. This format ensures optimal exposure, from the first swing through to the professional and friendly exchanges at the end of the day.

Becoming a sponsor of the Foundation is much more than a visibility opportunity. It is a way to affirm the vision and values that drive your organization by supporting a cause that transforms lives. These options position you as an engaged and responsible player within a dynamic community, highlighting your concrete and lasting commitment alongside participants and partners who share the same desire to make a difference for recipients and their families.

Your support makes a difference.
